2023-2024 Nodaway-Holt Junior High and High School Supply List

For your convenience, the Junior High and High School teachers have provided a supply list for the 2023-2024 school year. This list is not comprehensive and additional supplies may be required for specific classes and projects throughout the school year.

This is a general reminder that backpacks will stay in the students locker and will not be taken into the classrooms or common areas of the building. Remember that water bottles need to be clear with a spill proof lid. Cups with straw lids are typically not spill proof.
