School Website

Check out the school website www.nodholt.org for the latest in school news. Find school announcements, calendars, handbooks, menus, and much more.

New Staff at Nodaway-Holt Elementary

Nodaway-Holt welcomes the following staff members for the 2021-22 school year!

Courtney McIntyre, Kindergarten
Erin Fent, 6th Grade

New for 2021-2022

Into Math

We have selected a new K-6 math curriculum called **Into Math**. It is made by the same people as our past curriculum, Math Expressions. This curriculum will offer opportunities for teachers to work with students in whole and small groups and we are excited for the technology piece as well. We look forward to sharing more as the year progresses.

TEAM

The Education Foundation will be sponsoring each teacher to work up to 40 hours outside the normal school day. This will provide a lot of additional learning opportunities and activities for students after school. More information will come home soon about times and dates that students can participate in these activities.

Nodaway Valley Thunder

Nodaway-Holt is now co-oping with West Nodaway for all junior high and high school athletics. The co-op will be called the Nodaway Valley Thunder. We are very excited about this co-op and the opportunity that it will give our students to compete. We hope that you can get out and support our students as this new co-op begins!

Traffic Control

School will begin **10 minutes** earlier this year, at **8:00am**. Please plan accordingly!!

Morning

-Please drive **slowly** for the safety of all students!

-All Morning drop-offs are to take place at the gym door.

-No drop offs before **7:40am**, unless approved.

-Please try not to stop the flow of traffic. Pull into a parking space if you must come into school for any reason.

Afternoon

-When picking up students, please park on the west hill before the school.

-Teachers will walk students across the drive to parents.
